

7 Step Covid Advice Notice

Seaham Town Council

Let's help each other to stay safe.

1. Please keep your hands clean. Sanitise or wash them.
2. Wear appropriate face coverings if required
3. Give each other room. Please keep social distanced.
4. Be patient and be kind to each other.
5. Please dispose of any rubbish sensibly.
6. Follow the routes.
7. Please social distance when using the benches.

Stay Alert, Control the Virus, Save Lives.

Terrace Green Notice

Please keep social distanced abide by the latest government Covid19 guidance and no alcohol to be consumed on Terrace Green.

CCTV in operation.

Seaham Town Council

Play Area Notice

Using this Play Area during the Coronavirus Pandemic.

Seaham Town Council does not have the resources to continually disinfect this facility or supervise it, therefore you use the facility at your own choice and risk and are asked to wipe any surface you will be using with a disinfectant wipe before use and ensure you are socially distanced from others using the facility and adhere to the following rules:

1. Do not enter the play area if you or someone from your household has coronavirus symptoms or that you have recently been in close proximity to someone else with coronavirus symptoms.
2. Do not enter the play area if it looks apparent that you cannot social distance from those already using the play area and use a piece of play equipment in a socially distanced manner. An approximate guide is that Seaham Town Park Play Area and other large play areas could hold approximately 20 kids and 20 guardians/parents safely distanced and Eastlea Play Area and other smaller play areas, could hold 3 kids and 3 guardians/parents.
3. Do not enter the play area if you do not have hand sanitisers with you and only enter if you have enough disinfectant wipe to wipe down touch points on the equipment you want to use and wipe/sanitise hands after use.
4. Do not lick, suck, kiss or spit on the equipment or put your hands in your mouth, nose or eyes.
5. Do not enter the play area in groups, only one guardian/parent per child and keep at least 2 meters away from everyone else and where necessary only one child per equipment
6. Do not bring food or drink into the play area and if possible take all your rubbish home with you.
7. Sanitise your hands straight after playing on the equipment.
