

Seaham Cemetery Byron's Walk

Information – Green Burials

Published April 2021

Background Information

Seaham's new cemetery which has been built at Byron's Walk includes an area set aside specifically for Green Burials, where people can choose to be buried in a non-traditional manner.

A tree or shrub will be planted as part of the burial process where no traditional headstone or kerbs will be installed and the burial area will eventually develop into a woodland.

View to the East

Specific regulations relating the Green Burial area:-

Only biodegradable coffins and burial containers will be allowed with:

No Plastic handles.

No treated/preserved bodies will be allowed.

No headstone or kerbs or enclosures of any type will be approved.

A small flowering tree or shrub of a species pre-determined by Seaham Town Council will be provided on the grave space.

A small temporary metal grave marker will be provided by Seaham Town Council set on a wooden base, which may be retained for a period of up to five years.
